Tax Reform Act of 1984 82

"If we raise a dollar in reform, then we owe that dollar back in rate reduction, whether for individuals or corporations."

—Dan Rostenkowski (D-Ill.)
Speech to the Economic Club
of New York
February 25, 1985

"A recent Citizens for Tax Justice study, analyzing 250 of America's most profitable corporations, found that more than half either paid no taxes or got outright tax subsidies in at least one of the first three Reagan years."

—Robert S. McIntyre
The New York Times
